POPE FRANCIS ON X

Aug 15: 1.) I would like again to entrust the anxieties and pains of the peoples who suffer in so many parts of the world due to social tensions and wars to Mary, Queen of Peace, whom we contemplate today in the glory of Paradise.

Aug 15: 2.) I think in particular of martyred Ukraine, of the Middle East, Palestine, Israel, Sudan, and Myanmar. May our Heavenly Mother obtain comfort and a serene and harmonious future for all!

Aug 15: The Lord made us for the joy of Heaven. Our life is not a meaningless journey, but a project of love. Life is a pilgrimage that leads us, day by day, to the encounter with Him and to the endless joy that He has prepared for us.

Aug 15: Mary walks before us on the path, reminding each of us that our life, like hers, is a continuous journey toward our final union with the Lord.

Give God your weakness and he will give you his strength.
