THEWAY.IE

TheWay.ie is a new digital platform set up by the Irish Bishops Conference dedicated to sharing the 'Good News' and the witness of the Catholic Church in Ireland. It is intended to help people discover the faith, live the faith and pass on the faith. It is for both seekers and followers. This is a very interesting Catholic website and well worth a visit.

"This platform is intended to help people to know the Way — to discover the faith, live the faith and pass on the faith. It is for both seekers and followers. Together, we are led by Christ to be pilgrims of hope."

ONLINE BEREAVEMENT INFORMATION EVENING

AnamCara is hosting an Online Bereavement Information Evening for parents grieving the loss of a child of any age, in any circumstance or at any time on Thursday 30th October.

Breffi McGuinness will be serving as our guest speaker, bringing years of experience with LauraLynn, Ireland's Children's Hospice, and his robust background in pastoral care.

Breffi will also take extra time to speak to the experience of parents who may have been carers to their children before their passing. Whether it be due to illness, disability, age, or any other reason, we recognise that grieving a child that one has cared for in this way may bring additional questions, complications, or difficulties. All parents, regardless of the age of their child or circumstances of their passing are, of course, very welcome, but we would like to extend this additional invitation to these families this month.

MISSION SUNDAY HERE IN ST. JOSEPH'S

Next Sunday, October 19th is Mission Sunday. We will be celebrating a special mass at 10:30am on that Sunday focusing on the blessing of having so many people from different countries worshipping in our Church. We hope to have readings in different languages at this mass. We warmly encourage You to celebrate with us and if You would like to be involved, please contact Fr Derek.

POPE LEO XIV ON X

Oct 11: In hearing the cry of the poor, we are asked to enter into the heart of God, who is always concerned for the needs of his children, especially those in greatest need. #DilexiTe

Oct 10: Those who suffer know how great even a small gesture of affection can be, and how much relief it can bring. No sign of affection, even the smallest, will ever be forgotten by the Lord, especially if it is shown to those who are suffering, lonely, or in need. #DilexiTe
 Every man and woman of our time has a deep need for hope and peace dwelling in their heart. Consecrated men and women can be messengers of harmony through your words and example, as people who bear within yourselves, by the grace of God, the mark of reconciliation and unity. #JubileeofConsecratedLife

Strength doesn't come from what you can do, but from overcoming what you thought you couldn't. (Diocesan facebook page)
