**The Irish Church Music Association (ICMA)**

ICMA is holding its annual Summer School in Maynooth from **30th June - 2nd July**. The summer school is geared towards anyone involved in liturgical music at parish level or in schools. Many attendees are choir leaders or enthusiastic singers and instrumentalists and we have a wide range of workshops on offer. In addition to the main sessions, participants can choose from a variety of breakout workshops to suit their needs. Participants can choose to attend the full course or a single day, and we offer a discount for groups of young people. Many participants are supported to attend through sponsorship from their parish or diocese. This is a worthwhile investment in liturgical music, as participants report returning to their parishes with renewed enthusiasm, bringing with them a wealth of new music and knowledge.
